Construction & Development, Inc.

2705 S. Alma School Rd., Suite 2, Chandler, AZ 85286

Kevin and Kimberley Alexander founded Alexander Enterprises as a general contractor focused on building and remodeling luxury homes. Since its inception in 1992, the firm has completed countless projects that have guaranteed satisfaction and exceeded expectations. Its team of expert designers, builders, and project managers is committed to its core values of quality, knowledge, character, and trustworthiness. These values, the firm's single-source solution, and its collaborative and hands-on approach, allows it to understand each client's unique vision and turn it into a reality. Its long list of satisfied clients is a testament to this fact, as many of them have returned to the firm for their future projects.

This stunning custom home is a stellar example of the firm's quality craftsmanship. The home features about 12,000 square feet of living space, a lift, a gym, a contemporary kitchen, an office, and a 5-car garage. Additionally, every room in the home takes advantage of the breathtaking views of the city and of the surrounding mountain by including sweeping windows.
