“Houzz has provided an effective platform where our clients, architects and designers can communicate their design ideas and visions for their homes. We encourage our clients to go on Houzz prior to visiting with our designers, suppliers, etc. and to start a file within Houzz showcasing their ideas and desires. They then can use these photos as a means to communicate what they like in a way that is difficult to convey with words. Thank you Houzz, we’re honored to have received this award again.” - Kimberley Cullumber Alexander.

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize Alexander Enterprises Construction & Development, Inc. among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
