Alexander Enterprises Construction & Development Co. Inc. of Chandler has received the "Best of Customer Service 2016" award from Houzz, a website for home remodeling and design.

The family-owned construction company was chosen by Houzz users who include active home building, remodeling and design industry professionals.

"Kevin, my partner and husband, is an

incredibly gifted builder," said Kimberley Alexander. "Not only does he deliver consistent quality, but he is an extremely resourceful, easy person for people to work with and our clients love him. Our daughter, Tayler Alexander-Perez, is our business manager as well as a successful licensed Realtor," she added.
